

Teacher's guides include

- Background information
- Suggested subject areas
- The environmental justice focus of the film
- Suggested excerpts, if time is short
- Discussion questions and activities
- Supplementary resources

Acknowledgements

This project was produced with support from filmmakers and distributors, the Luce Foundation, Whittier College, the Global Reporting Center, Docuseek2 and Face to Face Media.

“These films will be of interest to students in many different fields. Protecting natural resources, restoring ecosystems, dealing with the impact of climate change on vulnerable populations—these are global concerns.”

Rebecca Overmyer-Velázquez, Whittier College
